REASONS FOR ALLOWANCE

The patent issued to Kapany teaches only some limitations as now claimed in claim 1, for example. These limitations are the frame and the integrated circuit carrier which is placed within the top section of the frame. No lens carrier and lens are included in the device of Kapany. Nor does this device teach the first and second metal leads as now recited in the above claim 1.

In view of the foregoing, a prima facie case of obviousness cannot be established.

Any inquiry concerning this communication should be directed to Loha Ben at telephone number (703) 308-4820.
